

**American Cancer Society
Making Strides Against Breast Cancer**

**Join us for a three-mile walk!
Sunday, October 17, 2010
Monument Square
Portland**

*Your company can help create a world with more birthdays
and less breast cancer!*

Form a corporate team and walk with co-workers, family, and friends. This non-competitive event will unite the entire community to honor and celebrate breast cancer patients and survivors, and raise money to fund lifesaving research and support programs to further the progress against this disease.
