

Eggs & Issues Speaker Proposal:

Please consider the following criteria in your submission:

- A brief biography of the speaker.
- Topic and (5) salient talking points.
(It may be in a short narrative with supporting information or 4-5 bulleted points)

The committee requests that the talking points have an economic focus and consider the following*

- What is the economic development impact?
- How does the Region benefit?
- What is the back story? (Is it Maine related?)
- What are the obstacles?
- What are the next steps?
- How does it solve workforce problem?

In drafting your proposal, please consider that if you are selected, presentations are typically 25-30 minutes in length, followed by 10-15 minutes of audience Q & A.

**Should there be request for more details upon receipt of the talking points, a Chamber staff or Eggs & Issues committee member will contact you for further information.*

Please submit speaker proposals to:

- **Email:** chamber@portlandregion.com or
