

2019-2020 Women OF THE Chamber

Established in 2017, **Women of the Chamber** is a networking series providing opportunities for Portland-area business women to find support and build relationships through local connection, education, and professional development.

For the 2019-20 season, the Portland Regional Chamber plans to host five installments of the Women of the Chamber series, with an estimated total attendance of 750-1000 prominent local business women.

Tentative 2019-20 Schedule: October, December, February, April, June
